

## Our Website

TIFI's website [www.focusing.org](http://www.focusing.org) is a rich source of information on Focusing and its many applications, as well as on Gendlin's philosophy. The Gendlin Online Library offers full text access to virtually all of Gendlin's psychological and philosophical works. You can also find Focusing events on the site.

## Support Focusing

Your membership dues are crucial to allowing us to do our work, but membership dues do not cover all of our costs. Please consider also donating above and beyond your membership dues as you are able. Just go to our website and click on "donate."

## What Our Members Say

## Who We Are

The International Focusing Institute (TIFI) is an international, cross-cultural organization dedicated to supporting individuals and groups world-wide who are teaching, developing and practicing Focusing and its underlying philosophy.

## What We Do

TIFI is committed to advancing the work of Focusing's founder, Eugene Gendlin, and those who have built on his legacy.

TIFI promotes Focusing and encourages its application in a wide variety of settings.

TIFI is a hub for information and education about Focusing and Gendlin's philosophy, as well as a catalyst for research on Focusing.

TIFI provides many opportunities for connection, dialogue and interaction among Focusers around the globe.
